

International Conference on Transforming Education for Future: Education 4.0

Execution Teams

Day: 26th September, 2025 (3:30-5:30pm)

Track Schedule: Active Learning

Session Chair: Dr. Meenakshi Sood

Session Co - Chair : Dr. Manmohan Chhibber

Participants: PPT format uploaded on <https://thec2025.thapar.edu>

Presentation time : 10 min , Q/A :2 min

Venue : Venue : TSLAS Room 2 (1st floor TSLAS building)

S. No.	Paper and Authors
1.	A study on group learning: implications to the think-pair-share strategy (ID 8) Sudhir Kumar Singh Department of Chemical Engineering, Thapar Institute of Engineering & Technology, Patiala, India Corresponding Author: sksingh@thapar.edu, phone number 9815259969
2.	‘Title: Teaching Together, Learning Together: Mentorship-Driven Co-Teaching for Academic Innovation(ID 15) Jinee Goyal , TIET, Patiala jinee.goyal@thapar.edu
3.	Strategic Implementation of Outcome-Based Education in Higher Education Institutions (ID 37) 1#Pawan Kumar, and 2Surjit Singh, 3Meenu 1,3Department of Electrical and Instrumentation Engineering 2Department of Computer Science and Engineering 1#pawan.kumar@thapar.edu,2 surjit.singh@thapar.edu ,3meenu.pannu01@gmail.com
4.	Transforming Traditional Teaching Methods with Project-Based Learning(ID 49) Deep Mann, Vibhuti Sharma, Anjula Mehto, Anu Bajaj, Himali Horo, Shveta Bansal Department of Computer Science & Engineering, Thapar Institute of Engineering & Technology, Patiala, Department of Chemical Engineering, Thapar Institute of Engineering & Technology, Patiala, Punjab, deep.mann@thapar.edu, anjula.mehto@thapar.edu, anu.bajaj@thapar.edu, himali.horo@thapar.edu,

	shveta@chitkara.edu.in
5.	Transforming Pedagogy through Structured Active Learning Strategies in Programming Courses(ID 60) Aarti Bansal^{1,a}, Rajesh Khanna¹, Geetanjali Singla Department of Electronics & Communication Engineering, Thapar Institute of Engineering & Technology, Patiala, India aarti.bansal@thapar.edu
6.	Class Size and Its Influence on Student Participation During Group Work Activities(ID 66) Sumit Vyas <i>Department of Electronic and Communication Engineering, Thapar Institute of Engineering and Technology, Patiala, Punjab.</i> email: sumit.vyas@gmail.com, phone number: 7800420845
7.	KUAC Active Learning Framework: A pedagogical design for increased student engagement in large classrooms (ID 70) 1. Brainerd Prince, Centre for Thinking Language and Communication (CTLC), Plaksha University. Email: brainerd.prince@plaksha.edu.in 2. Hasrat Sandhu, CTLC Plaksha University Email: hasrat.sandhu@plaksha.edu.in 3. Trinav Talukdar, Plaksha University. Email: trinav.talukdar.ug23@plaksha.edu.in 4. Anandita Garg, Plaksha University Email: anandita.garg.ug23@plaksha.edu.in 5. Chinmayi Kalapatapu, Plaksha University. Email: chinmayi.k.ug23@plaksha.edu.in 6. Punng Choudhury, Plaksha University. Email: punng.c.ug23@plaksha.edu.in
8.	Optimizing Students' Engagement By Class Size: Review of Large V/s Small Classrooms under Education 4.0(ID 88). Preeti Sharma, Ph.D Scholar, <i>Thapar School of Liberal Arts and Sciences (TSLAS), Thapar Institute of Engineering & Technology, Patiala.</i> Psharma1_phd24@thapar.edu, +917986313688 Dr. Sarika Alreja, Assistant Professor, <i>Thapar School of Liberal Arts and Sciences (TSLAS), Thapar Institute of Engineering & Technology, Patiala.</i> Sarika.mishra@thapar.edu, +919876646232
9.	The Role of Academic Group Projects in Shaping Professional Teamwork Competence: : A Gender Perspective(ID 124) Ms. Riya Kalia Thapar School of Liberal Arts and Sciences (TSLAS), Thapar Institute of Engineering &Technology, Patiala (riya.kalia@thapar.edu) +91 7404515677

Co Session Chair Duties

1. Arrange one laptop per session
2. Review the session schedule, speaker list, and presentation topics

3. Coordinate with the session chair
4. Communicate with speakers in advance to confirm attendance and presentation needs
5. Ensure all presentation materials (PPT) are submitted and available
6. Assist in introducing speakers
7. Monitor time and help keep presentations within their allotted slots
8. Handle Q&A sessions by collecting audience questions or moderating discussions
9. Maintain decorum and engagement throughout the session
10. Thank speakers and attendees for their participation

Short Bio-data of Session Chair:

Dr. Meenakshi Sood an experienced academician and consultant is currently working as Associate Professor in CDC, holding the position of Associate Dean (ORG) in National Institute of Technical Teachers Training & Research (Ministry of Education, Govt. of India), Chandigarh, India. She is Senior Member of IEEE and holding the post of Executive Member ECE of Institute of Engineers, HP. She has teaching experience of around 25+ years and worked in various institutes of repute in the Department of Electronics and Communication Engineering. She received her Ph.D. in Biomedical Signal Processing and is Gold Medallist and Academic Award winner in Master of Engineering (Hons.) from Panjab University, Chandigarh. Her R& D activities include books, ongoing and completed PhD thesis, M.Tech thesis, one granted and two published patent, as well as around 175 research papers in reputed indexed Journals and International conferences in India and abroad. Currently, she has been exhaustively involved in Implementation of NEP 2020, Curriculum restructuring, NBA and NAAC Accreditation Process, Innovative curriculum Design and Teaching-learning pedagogy, Updation of technical and professional competencies of professionals throughout the country. She has been on AICTE inspection committees and conducted transparency audits of numerous central government organizations like IITs, NITs, NTA etc. She is also resource person for Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching Centres (PMMMNTT). As a consultant and researcher, she has been involved in numerous studies and has done multiple consultancy under World Bank projects for capacity enhancement and skill development and also leadership enhancement training of Principals of technical Institutes of Himachal Pradesh, Haryana, Punjab, Rajasthan and Uttarakhand etc. Presently she has been appointed Mentor to IIIT Una Capacity Building Program with a special focus on design and entrepreneurship by Ministry of Education. She is also part of the core team for developing the curriculum of technical institutes of state of Punjab, Haryana, Himachal Pradesh, Delhi working on developing OBE and NEP 2020 based curriculum designs for Education 4.0 for northern states of India.

International Conference on Transforming Education for Future: Education 4.0

Execution Teams

Day: 26th September, 2025(3:30-5:30pm)

Track Schedule: Experiential Learning

Session Chair: Dr. Sachin Gulati

Session Co-Chair : Dr. Loveleen Brar

Participants: PPT format uploaded on <https://thec2025.thapar.edu>

Presentation time : 10 min , Q/A :2 min

Venue : TSLAS Room 1 (1st floor TSLAS building)

S. No.	Paper and Authors
1.	Generativity Theory: Potential to Transform Learning Pedagogy for Sustainable Entrepreneurship(175) Dr. Sachin Gulati, Professor of Practice, TSLAS Patiala 19-A, Red MIG Flats, Rajouri Garden, New Delhi, India sachin.gulati@thapar.edu ; +91-9871141126
2.	How Experience Shapes Potential Entrepreneurs: A Systematic Review Validated by Neural Networks(ID 32) Mohit Taneja,^{1*} Ravi Kiran², S.C Bose³ Assistant Professor^{1*} Professor² Associate Professor³ School of Humanities and Social Sciences^{1,2,3}, Thapar Institute of Engineering and Technology, Patiala, India Mohittaneja1996@gmail.com¹
3.	Problem Design Thinking”- A Case Study based on Experiential Approach(ID 41) Shilpi Saxena, Sharad Saxena, Ravinder Kumar Duvedi Thapar Institute of Engineering and Technology, Patiala, Punjab, India. sharad.saxena@thapar.edu, shilpi.saxena@thapar.edu, rduvedi@thapar.edu
4.	Professional Development for Immersive Technologies: Assessing Teacher Educators’ Readiness Before and After Workshop(ID 80) Aditti Bhadwal¹ & Prof. Jyoti Narayan Baliya^{2*}

	1 Ph.D. Scholar, Department of Educational Studies, Central University of Jammu, adittiedu@gmail.com ORCID id: 0009-0005-9132-6739 2 Professor, Department of Educational Studies, Central University of Jammu, Jnbaliya2015@gmail.com
5.	Rebuilding Heritage, Rebuilding Skills: A Stepwell Game Teaching Transversal Skills for Sustainability to Engineering Students in India (ID 81) Suraj Sethi¹, Kush Dhebar², Anjali A¹, Zaineb Syeeda¹, Rucha Joshi³, Joelyn de Lima⁴ ¹Teaching Fellow, Innovation Lab and Grand Challenges Studio, Plaksha University, Mohali, Punjab ²Consultant, Department of Archaeology and Museums, Haryana, India ³Associate Professor, Innovation Lab and Grand Challenges Studio and Biological Systems Engineering, Plaksha University, Mohali, Punjab, India ⁴Pedagogical Advisor, Teaching Support Centre, EPFL (The Swiss Federal Technology Institute of Lausanne), Lausanne, Switzerland *Corresponding Author Email: ruha.joshi@plaksha.edu.in; Phone: +917901851024
6.	Recognition of Prior Learning and Its Impact on GER: A Study of Punjab's Higher Education Landscape (ID 85) Sanjay Kumar Anand*, Ranjna, Dr.Meenakshi Sood, Dr.Rajesh Mehra National Institute of Technical Teachers Training and Research, Chandigarh, India skanand.cdc25@nittrchd.acin
7.	Fostering Innovation Through Interdisciplinary IPR Culture: A Case Study of Student-Led Design Applications (ID 97) J David Rathnaraj¹, Sanjana N^{*2}, Immanuel R¹ ¹Mechanical Engineering, Sri Ramakrishna Institute of Technology, Coimbatore, India ²*Computer science and Engineering, Sri Ramakrishna Institute of Technology, Coimbatore, India immangwu@gmail.com
8.	Bridging Theory and Practice in CAD through Engine Dissection and Experiential Learning (ID 115) Ravinder Kumar Duvedi^a, Bikramjit Sharma^{b*}, Sharad Saxena^c ^{a,b} Department of Mechanical Engineering, Thapar Institute of Engineering and Technology, Patiala, India ^c Department of Computer Science and Engineering, Thapar Institute of Engineering and Technology, Patiala, India bikramjit@thapar.edu
9.	Enhancing Education Through Experience: A Study on Experiential Learning (ID 137) Rachna Devi, Research scholar, Department of Education CDOE, Himachal Pradesh University, Shimla Mail-id: chandelrachu21@gmail.com

10.	Driven by Desire: Materialism, Curiosity, and Impulse Buying in a Gendered Context(ID 157) Kritika*, Sarika Alreja¹ ¹Thapar School of Liberal Arts and Sciences, Thapar Institute of Engineering and Technology, Patiala, Punjab, India sarika.mishra@thapar.edu
11.	Emotional Landscape of Educators: Challenges to Academic Impact(ID 91) Jiyaa Panwar, Jayaprakash Mishra, Swati Saxena³ Kriti Vyas*⁴- shifted to day 1 1- Master's Student (Psychology), Thapar School of Liberal Arts & Sciences (TSLAS), TIET, Patiala. jpanwar_ma23@thapar.edu 2- Assistant Professor, Thapar School of Liberal Arts & Sciences (TSLAS), TIET, Patiala jayaprakash.mishra@thapar.edu 3- Assistant Professor (Psychology), The NorthCap University, Gurugram, India, saxenaswati93@gmail.com

Co Session Chair Duties :

1. Arrange one laptop per session
2. Review the session schedule, speaker list, and presentation topics
3. Coordinate with the session chair
4. Communicate with speakers in advance to confirm attendance and presentation needs
5. Ensure all presentation materials (PPT) are submitted and available
6. Assist in introducing speakers
7. Monitor time and help keep presentations within their allotted slots
8. Handle Q&A sessions by collecting audience questions or moderating discussions
9. Maintain decorum and engagement throughout the session
10. Thank speakers and attendees for their participation

Short Bio data of the Session Chair

Dr. Sachin Gulati is currently Professor of Practice at Thapar School of Liberal Arts and Sciences, Patiala. He has two decades of academic and industry research experience as part of which he completed his Ph. D. Management Information Systems from University School of Management Studies, I P University, New Delhi. He is an alum of Indian School of Business, Hyderabad having successfully completed the Future CHRO Program in Feb 2023 which was the founding cohort of this unique Industry Program for HR Professionals. His current research interests include studying the role of Sustainable Entrepreneurship theories like Generativity and Effectuation in enhancing Creativity of the workforce and people leaders. This workforce of the future is positioning India as a prominent GCC hub for organizations across the world. He recently completed a Certification in Generative AI from IMD Switzerland to continue drawing linkages with his work and Tech advancements.

On the Corporate Side – he is Head of India Campus Recruitment for American Express and represents the brand across all institutions of the country. His Failure Introductions are a hit with students across segments and helps him draw mutual energies with the Target Audience. He also has deep interest in following Project Tiger Conservation efforts across the Country.

International Conference on Transforming Education for Future: Education 4.0

Execution Teams

Day: 26th September, 2025 (3:30-5:30pm)

Track Schedule: Project Based Learning

Session Chair: Dr. Maitree Dutta

Session Co-chair : Dr. Anoop Kumar

Participants: PPT format uploaded on <https://thec2025.thapar.edu>

Presentation time : 10 min , Q/A :2 min

Venue: TSLAS Room 3 (1st floor TSLAS building)

S. No.	Paper and Authors
1.	Project-based Learning and Employability: A Cognitive Constructivism and Transformative Learning Perspective from a Developing Country (ID 172) Dr Karminder Ghuman, Dr Sakshi Bathla, Dr Saurabh Mittal, LMTSM Patiala sakshi.bathla@thapar.edu
2.	Empowering Engineering Education Through PBL: Deep Learning for Motor Imagery Using EEG Signals(ID 14) Dr. Jinee goyal, Dr. Sachin Kansal , TIET sachin.kansal@thapar.edu
3.	Assessing AI Chat bots in Engineering Education: Performance Analysis for GATE 2024 in Civil and Computer Science Engineering (ID 16) Sangita Roy ¹ , Abhinay Kumar ^{2*} , Vansh Behal ³ ^{1,3} Department of Computer Science and Engineering, Thapar Institute of Engineering and Technology, Patiala, ² Department of Civil Engineering, Thapar Institute of Engineering and Technology, Patiala, India *Corresponding Author: abhinay.kumar@thapar.edu (+91-9774344970)
4.	Intending Academic Excellence through Collaborative Research (ID 62) Parag Nijhawan Associate Professor Department of Electrical and Instrumentation Engineering

	Thapar Institute of Engineering and Technology, Patiala (PUNJAB), INDIA parag@thapar.edu
5.	Evolution, Efficacy and importance of Capstone Projects: A Student-Centric Analysis of Design, Resources, and Collaborative Models(ID 104) Rahul Upadhyay, Guntas Gill, Divyansh Chhikara, and Vinay Kumar Thapar School of Liberal Arts & Sciences, Thapar Institute of Engineering & Technology, Patiala, India *Corresponding Author: rahul.upadhyay@thapar.edu
6.	Student-Led Projects in Technical Education: Opportunities and Challenges (ID 108) Deepa Mudgal Department of Mechanical Engineering, Thapar Institute of Engineering and Technology, Patiala, Punjab. Corresponding Author: deepa.mudgal@thapar.edu
7.	Enhancing Students' Understanding of Manual and Automation Testing Through Project-Based Learning(ID 121) Javed Imran Department of Computer Science and Engineering, Thapar Institute of Engineering and Technology, Patiala, Punjab, India javed.imran@thapar.edu
8.	Enhancing Digital System Design Education Through Project-Based Learning and FPGA Tools(ID 136) Anil Singh, Manu Bansal and Alpana Agarwal Department of Electronics and Communication Engineering, Thapar Institute of Engineering Technology, Bhadson Rd, Adarsh Nagar, Prem Nagar, 147004, Patiala, Punjab, India mbansal@thapar.edu
9.	The AI-Literate Educator: A Technical Framework for Faculty Development in Outcome-Oriented Learning Using Artificial Intelligence(ID 33) Jyoti Maggu, Sharad Saxena, Avinash Chandra CSED, Thapar Institute of Engineering and Technology, Patiala, Punjab, India jyoti.maggu@thapar.edu , 7988392850
10.	Towards Successful Integration of Project-Based Learning in Higher Education: Challenges, Enabling Technologies, and Implementation Strategies(ID 43) Dr. Amanpreet Kaur , amanpreet.kaur@thapar.edu Associate Professor, Department of Electronics and Communication Engineering Dr. Dheeraj Gupta, dheeraj.gupta@thapar.edu Professor, Department of Mechanical Engineering

	Thapar Institute of Engineering and Technology, Patiala

Short Bio-data of Session Chair:

Dr. Maitreyee Dutta graduated in Electronics and Communication Engineering from Guahati University in 1993. She was the Gold medallist in her batch even All Branch topper of that year. She did her M.E in Electronics and Communication Engineering from Punjab Engineering College in 1999 through GATE Scholarship and obtained her Ph.D. degree from Punjab University in 2007. Her academic achievement was excellent throughout her life. She joined in National Institute of Technical Teachers Training and Research, Chandigarh in 2001 and since 2003, she was the Head of the department of Computer Science Department of this institute. From July 2015 to 2017, she was Professor and Head of Electronics and Communication Engineering department of the same institute. She had initiated many activities in Computer Science Department. She backed two projects from Ministry of IT, New Delhi and one project from Ministry of Social Justice. She also received grant from AICTE under RPS scheme. Besides these she had backed grants from AICTE to conduct FDPS, ATAL Programmes, Grant for Conference etc. She has set up Centre of Excellence Cyber Security Lab in the institute and now planning to give the international fame to that lab. She has guided 13 PhD students and 3 are in progress. She conducted free courses for the under-privileged students in collaboration with Social Welfare organization under UT Govt., Chandigarh and for this she was awarded Rota Women distinction Award by Rotary Club Chandigarh midtown in 2013. She had also received Best Teacher Award from Bharatiya Shikshan Mandal, Uttar Pradesh in 2013. She initiated hands on projects on Robotics by the students. Under her guidance, the students participated many robotics competition at IIT Bombay, IIT Kharagpur, Baba Farid University, Chandigarh University, Gharuan etc. She initiated to establish Innovation Laboratory in the institute and also established one Start UP named Enovate Skill

in the institute. She also looked after the department of Educational Television Centre for 2 years and during that period she was given the charge of overall MOOC Coordinator and overall coordinator of ARPIT Courses by the director of NITTTR Chandigarh under which institute could launch 11 MOOC courses and 2 ARPIT courses till date out of which three are AICTE-NITTT modules. She is the coordinator of 3 MOOC courses which are uploaded in SWAYAM portal. She had published 150 papers in International and National Journals and conferences. She published four books till date. She is now Professor and Head of Information Management and Emerging Engineering Department. She was Dean Academics and R and D of NITTTR Chandigarh for 2 years 8 months.
