

International Conference on Transforming Education for Future: Education 4.0

Execution Teams

Day: 27th September, 2025(9:45- 11:15am)

Track Schedule: Active Learning

Session Chair: Dr. Meenakshi Rana

Session Co-chair: Dr. Adil

Participants: PPT format uploaded on <https://thec2025.thapar.edu>

Presentation time : 10 min , Q/A :2 min

Venue : Venue : TSLAS Room 2 (1st floor TSLAS building)

S. No.	Paper and Authors
1.	Revamping the tertiary education system: challenges and opportunities in the student-centric interactive teaching and learning processes(ID 92) Niranjan Das* Department of Biotechnology, Thapar Institute of Engineering & Technology Patiala 147004 (Punjab), INDIA E-mail: ndas@thapar.edu
2.	Tutoring and Mentoring Fostering Constructive Paradigm Shift in Higher Education (ID 105) Manjeet Singh ^a , Parag Nijhawan ^a , Sunil Kumar Singla ^a manjeetsingh.tietphd@gmail.com, parag@thapar.edu, ssingla@thapar.edu ^a Electrical and Instrumentation Engineering Department Thapar Institute of Engineering and Technology, Patiala (PUNJAB), INDIA
3.	Implementation of Active Blended Learning Pedagogy to Enhance Student Engagement and Academic Performance: A Case Study(ID 107) Poonam Jindal poonam.jindal@chitkara.edu.in Chitkara University Institute of Engineering and Technology, Chitkara University, Punjab, India 140401
4.	‘Brainaculum’: A Novel Neuro-pedagogical Approach to Match Curriculum and Pedagogy with Human Cognitive and Brain Functions – Model and Case Study(ID 122) Neloy Kumar Chakroborty1*, Souvik Ganguli2* 1Thapar School of Liberal Arts and Sciences, Thapar Institute of Engineering and Technology, *Correspondence: neloy.chakroborty@thapar.edu, souvik.ganguli@thapar.edu

5.	Beyond the Scoreboard: Leveraging Game-Based Learning for Outcome-Based Education(ID 78) Geetanjali Singla, Rajesh Khanna, Aarti Bansal Department of Electronics & Communication Engineering, Thapar Institute of Engineering & Technology, Patiala, India
6.	Impact of Class Attendance and Reviewing Evaluated Papers on Academic Performance in a 1st Year Engineering Chemistry Course (ID 141) Anjali Giri¹, Urvashi¹, Nelay Kumar Chakroborty, Manmohan Chhibber¹ Tejinder Paul Singh² TIET *Corresponding Author: nelay.chakroborty@thapar.edu, mchhibber@thapar.edu
7.	Role of Technical and Non-Technical Societies in Shaping the Future of Engineers (ID 145) Akshit Singla^a, Manjeet Singh^b asingla_be22@thapar.edu, manjeetsingh.tietphd@gmail.com ^aComputer Science and Engineering Department Electrical and Instrumentation Engineering Department Thapar Institute of Engineering and Technology, Patiala (PUNJAB), INDIA
8.	Novel teaching Interventions an approach to Ignite Cognitive Thinking: Sensitizing Brain to Process Information for Concept Building(ID 151) Nishu Joshi¹, Gagandeep Kaur² Department of Electrical & Instrumentation Engineering, Thapar Institute of Engineering & Technology, Patiala, Punjab, India Email: nishu.joshi@thapar.edu
9.	Impact of Perceived Stress on Psychological Well-Being, Aggression and Emotional Regulation(ID 155) Nishtha Batra¹, Dr. Kaustuv Roy², Dr. Ipshita Chowdhury³ ³ Thapar School of Liberal Arts and Sciences Thapar Institute of Engineering and Technology, Patiala, India Nbatra_phd22@thapar.edu
10.	Enhancing Learning through Student-Centred Approaches(ID 156) ¹Nishtha Batra, ²Shaily Singla, ³Gagandeep Kaur ¹ School of Humanities and Social Sciences ³ Department of Electrical and Instrumentation Engineering, Patiala Thapar Institute of Engineering and Technology nbatra_phd22@thapar.edu, gagandeep@thapar.edu ² Department of Social Studies GSSSS, Patiala Shailysingla1977@gmail.com

Co Session Chair Duties:

1. Arrange one laptop per session
2. Review the session schedule, speaker list, and presentation topics
3. Coordinate with the session chair
4. Communicate with speakers in advance to confirm attendance and presentation needs

5. Ensure all presentation materials (PPT) are submitted and available
6. Assist in introducing speakers
7. Monitor time and help keep presentations within their allotted slots
8. Handle Q&A sessions by collecting audience questions or moderating discussions
9. Maintain decorum and engagement throughout the session
10. Thank speakers and attendees for their participation

Short Bio Data of the Session Chair :

Dr. Meenakshi Rana is a Professor in the Department of Mathematics and the Dean of Student Affairs at Thapar Institute of Engineering & Technology, Patiala, Punjab, India. She holds a Ph.D. and an M.Sc. (Hons.) in Mathematics (Number Theory) from Panjab University, Chandigarh. With a distinguished academic career spanning over two decades, Dr. Rana has taught undergraduate, postgraduate, and doctoral students. Her research interests include partitions and q-series, enumerative combinatorics, and number theory. On the teaching side, her interests focus on teaching and learning practices, pedagogy, and outcome-based education. She has published more than 50 research articles in reputed journals and has presented her work at numerous national and international conferences. Dr. Rana has successfully guided five Ph.D. scholars (with two more currently under supervision) and has mentored 16 M.Sc. dissertations. She has also organized three major international conferences in her domain, conducted various workshops/FDPs and symposiums related to her research areas, and completed three research projects funded by the Government of India through SERB/ANRF, NBHM, and CSIR. Dr. Rana is a trained educator and facilitator with a deep understanding of advanced teaching and learning processes. She is among the select faculty members who have been awarded the title of Thapar Teaching Fellow after completing the Special Certificate (SpCert) Program at Trinity College Dublin, Ireland. She has also participated in similar programs at George Mason University (USA) and the University of Queensland (Australia). Demonstrating her continued commitment to educational innovation, she recently completed two AI literacy courses from George Mason University, USA. In addition, she has conducted multiple faculty workshops at TIET & at other institutes aimed at enhancing pedagogical practices, particularly those related to outcome-based education and improving the overall teaching-learning experience. In addition to her academic and research contributions, Dr. Rana has undertaken several key administrative responsibilities within her institution. She has served on important committees such as the Internal Complaints Committee (ICC) and the Committee for Prevention of Unfair Means (CPUM), and has also held roles as the ISO Coordinator and NAAC Department Coordinator. Through these roles, she has actively contributed to fostering a smooth, efficient, and supportive environment for both faculty and students.
